

# THE EMU POINT BOWLER

2<sup>ND</sup> DECEMBER 2018

SCROUNGERS. 24 Players enjoyed the Tuesday competition.

Peter Hewson won from Phil Ramsden and perennial visitor Mark Ford.

On Thursday the men held their annual Veterans Pairs competition. Some complained about their aches and pains and didn't think they could last out the day but undefeated were the ever reliable Terry Martin with partner, spring-chicken Geoff Sadgrove. Second was Richard Sounness with Ron North while Carl Connell and John Spencer cleaned up in third place.

Volunteers Richard Piggott, Simon Messina and John Wells are helping Todd Jefferis painting the games room. A great rollup of vollies got the project started last Monday by moving the pool tables, removing all the fixtures, ceilings and floor carpet.

A big thankyou to Todd who has donated his time and expertise with overseeing the project,

painting the walls and putting in all new LED lighting and wiring among all many the other little things that needed doing.

Pictured here, John and Todd are keeping an eye on builder Mike Rystenberg. Mike has generously offered his expertise as a favour to the Club. Many members have donated generously for this project but we still require a little more money to complete some extra painting. See Bec Jefferis if you would like to help. We are all looking forward to a new look clubhouse.

Congratulations to Jon Sharpe, Matt Mitchell and Doug Wright in making the ILRR team to be played in Esperance next year.
