

The new Club jackets have finally arrived. We are sorry that it has taken so long but the frequent production delays were beyond our control. If you have put your name down for a jacket, please pay \$100 to either Carol Cockerell or Allen Poor. When sample jackets were provided to give members a better idea of what size to order, they were unable to provide a Men's XL jacket. A considerable number of men ordered a 2XL jacket. They might like to try on a XL jacket as well as a 2XL to see which is the better fit. I ordered a few extra XL jackets for this reason.

At the most recent Bowls Executive meeting, Malcolme Brown showed the group an example of one of our scoreboards that had been powder coated. They are at a cost of \$550 plus GST. The Executive were very happy with the end result and voted in favour of having 16 scoreboards completed. Malcolme suggested that members might be prepared to donate sponsorship of \$500 towards the upgrade of the scoreboards. The Executive Committee had four members who immediately offered their support with this sponsorship. Any other Club member who is happy to offer their sponsorship to this cause can pay their money into the Bowling Club account, details of which are provided below:

In Men's Pennants, 2nd Division White created somewhat of a shock result with a terrific close fought win over the highly rated Mt Barker Golf Red team.
